Roadguy-Yankton, Signtech-Yankton

Tell us about a funny or memorable moment you have experienced while racing. Every night is funny and memorable by the time we get home (with the Crew we have)

What advice would you offer to someone who is considering building a racecar or to someone who has just started racing? The more effort you put into it the better you will do.

When did you start building your car this year, and how often do you work on your car in the off season? Jessie started his car in March this year and they work on it two days a week.

Jesse lives at 506 Lois Ln
Harrisburg

He works as a mechanic at
Bierschbach Equipment & Supply in
Sioux Falls

When Jesse isn't working on his
Race car he loves to go
snowmobiling.
