Please list some of your accomplishments achieved during your racing career. 2003 Street Stock National Champ- I 90 Speedway, 1999 Sportsman Championship, 2007 Lake County Champion

Tell us about a funny or memorable moment you have experienced while racing. At the Street Stock Nationals last year, I had the front pole position and my car broke down. I went to a car show in Newton Iowa. At this show I got to hang out with Ken Schrader & Ken Wallace, Krista Voda, & Bob Dilner from the Speed Channel, then I went to Knoxville with Kenny Schrader to the 100 lap Luscus Knoxville Nationals.

What advice would you offer to someone who is considering building a racecar or to someone who has just started racing. Get as much information as you can from someone that you trust before you start paying.

When did you start building your car this year and how often do you work on your car in the off season. We started building the car in mid February, it took 4 or 5 big days & we worked hard on it.
